Delta results 2016

Congratulations to all those who passed their Cambridge English Language Assessment Delta modules in 2016. Under the UK Data Protection Act, Cambridge English Language Assessment can only release names of those candidates who have agreed they can do so by ticking the relevant box on the form. The Gazette can only publish the names that Cambridge provides. These pages can be printed out at <https://digital.elgazette.com>.

Results are for candidates who have signed an agreement giving Cambridge English permission to publish their names.
